

Dear SMLP participants,

Due to construction works, in the time between **September 10 (Tue) - October 14** regional trains that connect Berlin Centre and Griebnitzsee/Potsdam will follow an altered route. Thus, **RE21/22** will start in **Charlottenburg** only! Please **DON'T use RE1** as it doesn't stop in Griebnitzsee.

However, you won't encounter any problems if you use **S-bahn connections** to get to the SMLP location!

Here are our suggestions on how you can get to Griebnitzsee:

You could take **S7** direction *Potsdam Hbf* from *Alexanderplatz* (08:10), *Friedrichstrasse* (08:14), *Berlin Hauptbahnhof* (08:17), *Zoologischer Garten* (08:23), etc. The arrival time in *Griebnitzsee* – 08:47.

From *Charlottenburg* you could either take **S7** (08:17-08:37) or the regional train **RE21** direction *Wustermark* (08:30-08:41) until *Griebnitzsee*.

If you are travelling from Potsdam, just take either **S7** direction *Ahrensfelde* (08:31-08:37) or **RE21** direction *Charlottenburg* (08:43-08:46) till *Griebnitzsee*. No changes here.

Best wishes and an easy commute,
